Objective

My objective is to secure a shore based captain position aboard a 20-30meter motor yacht, for private use, charter, or refit. I am very open to freelance and delivery positions.

Profile

I am a hands-on yacht captain with an aptitude for engineering and trouble-shooting developed through years of experience on both short term delivery assignments and long term positions including extensive cruising on the east coast, New England, Florida keys, gulf coast, Bahamas, Turks and Caicos, Caribbean, Med, and Middle East. I specialize in fitting out vessels new to the owners.
