

# JOSH

Captain

Boca Raton, FL

Non smoker, USA Passport (exp. 2026), DOB: 1990

*Seeking a permanent position aboard a private motor yacht as a Captain, where I can manage all technical and administrative aspects of the vessel and its program. I would like to use my work ethic and ten years experience in the marine industry to accomplish the program's goal of delivering a successful, safe, fun, and hospitable experience to the yacht's owners and their guests. I am driven by the success of the program, the team I work with, and the opportunity to grow in my career. I am truly professional in all that I do and am eager to go the distance.*
