PADI CERTIFIED OPEN WATER

PROFESSIONAL PROFILE

Active, outgoing, and detail oriented Captain with 15+ years of experience on the water.

Hands-on leader that prioritizes guest services and compliance to vessel standards and protocols.

Extensive knowledge of the waters from Maine to Key West and the Bahamas, with experience managing diverse fishing program operations.

Confident coordinating event details and attending to small groups in addition to large parties with 100+ guests.

Handles provisioning for trips of various duration and basic expense tracking.

Proven ability to troubleshoot and handle onboard maintenance including minor engine/generators, hydraulic pumps, jet skis, and routine maintenance needs.

Strong background managing yard/refit periods including sourcing contractors and ensuring budget/timeline are met.
