REFERENCES

Guests - orientated professional Captain and Engineer with over 8 years of experience.

Obtaining a permanent position as an Engineer/Captain on a vessel with a busy schedule, well rounded, energetic vibrant crew, I could be a great addition too. My main goal is to travel, see new cultures, enjoy the ocean activities as the vessel travels its paths. I take pride in my performance to all the responsibilities assigned on the vessel. I am easy going, clean, and do non smoker, I enjoy working as a team with a positive attitude and energy.
