

JESSE

CAPTAIN | ENGINEER
USCG 200GT Master License
U.S. Passport | TWIC
Fluent in English & Spanish

MARITIME OBJECTIVE

I have more than 10 years of professional experience as a Captain, Engineer and Mate on luxury yachts. I'm an extremely organized and efficient trip and project coordinator with an extensive mechanical background and strong personal skills. I have navigated around Miami, the Florida Keys, the Bahamas, the Caribbean, Northeastern U.S. and the Gulf of Mexico. I fulfill all of my commitments. I'm well spoken in English and Spanish.

MARITIME EXPERIENCE

| Captain | Engineer (Jan 2014 - Present)

- I own and operate a profitable company which has provided me with extraordinary skills as a leader and project coordinator
- I have extensive knowledge of local waters and I can expose my guests to interesting and unique locations
