“ A spirited individual shaped by a rich tapestry of experiences and cultures across Spain, Russia, Ireland, and the United States. My work background centers around customer service and hospitality, where I am known for my bubbly personality and ability to radiate a smile in every interaction. I thrive on exploration and continuous learning.

My desire to transition into a Stewardess role is driven by my love for the sea and a strong foundation in customer service. I am dedicated to delivering exceptional experiences and contributing positively to your team.
