SARA

HOH/2nd/Freelance Stew

PROFILE/OBJECTIVE

For the last 9 years I have been working in the hospitality industry. A highly experienced charter and private stewardess that has worked as a part of an interior team of up to 6. I have a background working for Cruises ships as an assistant waitress. I also come with great customer service experience after working for a Tesla branch in Serbia. I have worked in a high-end gourmet shop and in charge of protocol team at the Sheraton Hotel in Peru. All this has given me the experience and skills to dive in comfortably in a position as an entry level HK/Stewardess. I bring in excellent service skills, a committed personality and all the hard work that is necessary to work in the yachting industry. I also bring an approachable personality. I believe in teamwork, and I am also great at listening and following direction. I look forward to starting this great adventure and show you what a great addition I am to your boat.
