Language

- English (Mother Tongue)
- Spanish (Conversational)

Other Experience

For the last five years or more, I have participated in numerous kid-focused activities. When I wasn't working as a volunteer at festivals managing kid-friendly activity booths, I was instructing and performing dance or cheerleading to children of all ages. Growing up in the studio and becoming an older sister figure to many of the kids I spent years with is what provided me with all of these years of knowledge.

Experience Continued

April 2023 - February 2024

Norwegian Cruise Line,

Spa Therapist
