

100-Ton Master Captain Michael

I have extensive experience with 40' to 70' yachts and salvage diving. I have ocean and large lake experience. I created and own a Luxury Yacht commercial charter business in Texas that focuses on events with up to 50 passengers and my crew. I am looking for a Captains position in Florida. I will be relocating to assist family members in The Villages Florida area. Willing to travel.

PROFESSIONAL EXPERIENCE

2020 to current

Owner/operator of a fleet of luxury yacht charters in the Lake Lewisville area of Dallas TX with variable capacities up to 50 passengers plus crew. I manage a staff of 14 employees with 4 USCG Captains under me. I am in charge of staff training, scheduling and payroll. Fleet consists of a 70' yacht, 58' yacht, a 46' yacht, and a jet ski. Responsible for overall fleet operations, scheduling, financial management, repairs, and maintenance.

2020 to 2022

Boat Captain

Conducted water rescue operations with single and twin-engine vessels. Conducted rescue and salvage dive operations.

1999 to 2023

Operations Manager,

Mid-level manager with extensive experience in general management, specializing in telecommunications. Record of progressive advancement in management and business operations assignments in a fortune 500 telecommunications company complimented with asset management responsibility and remote site management. Achieving Senior Manager for GTSO branch operations with responsibility for global space operations, atmospheric satellite operations, distribution, and property management.

1997 to 1999

Installations Manager

I consulted security, audio/ video companies on proper installation of advanced security

and anti-intrusion equipment. Managed 5 teams of installation technicians from wire rough to equipment installation.

1989 to 2004

United States Army, Okinawa, Japan 1st Special Forces Group (Airborne)

Acted as team engineer for in-field operations assault unit. Field medic, O2, Rigger, Radio/Krypto repair certified. Security breach specialist. Planned, prepared, organized, trained, mobilized, and executed in-field operations for the JFKSWC (Ft. Bragg, NC) and USASOC (McDill AFB, FL). I was a team leader for infield combat assault operations. Served with the Colorado National Guard 19th Special Forces Group (Airborne) Search and Rescue unit out of Watkins Airfield, Watkins, Colorado. 4 Honorable discharges.
