

About Me

As a 25-year-old Bahamian with a B1/B2 visa born on April 28, 1998, I bring extensive maritime expertise and a strong background operating boats from 15' to 76'. Specializing in free diving (spearfishing), sport-fishing (pelagic and bottom fishing), and water sports, I have navigated Bahamian waters and worked with celebrity guests. Seeking a Mate or Captain role on a Charter yacht or sport-fishing vessel, I aim to elevate the guest experience with my diverse skill set and passion for the sea.
