

YUJET

WHAT DO I NEED TO KNOW?

We are introducing YUJET, the leading electric jetboard. Made of full carbon fiber.

This board will reach speeds up to 25 mph in near complete silence. No need for messy oil change or maintenance.

Running time: up to 45 min Charging time: 2 h
Just head out and enjoy this brand new sport without the need of wind, waves or a boat.

The YUJET offers a new way to experience water sports. This is the future, Today.

No license required.
