WHAT DO I NEED TO KNOW?

Your own personal inflatable swimming pool with lounging platform, that keeps you safe from jelly fish and any other sea creatures. It is also great to avoid being carried away by strong currents.

It is specially popular with owners with young children.

Deployment:

Tied to the yacht or anchored

The net is held down by the weights. The Pool can be tied to the yacht or anchored separately. With provided 220 V pump, the pool can be inflated/deflated in a matter of minutes.

Compatible with all aquapark items.
