PROFILE

Deckhand with hands-on experience across various luxury yachts of different sizes, specializing in guest service, marine operations, and maintenance. Proficient in drone photography and video editing, with a background working on film sets with major brands. Seeking a position in Florida's yachting industry where I can combine my marine and media skills to provide added value in charter promotion and operations.

WORK EXPERIENCE

YACHT CHARTER SERVICE

Deckhand / Steward / Fishing Guide Mar - Sep 2024

Motor Yacht (12 Passenger)

Motor Yacht (41 Passenger)

Motor Yacht (6 Passenger)

(26 Passenger)

- Led water sports activities (paddleboarding, snorkeling, kayaking) and ensured guest safety during recreational activities.
- Served as a fishing guide, offering expert instruction and assistance during private fishing charters.
- Assisted with memorial ash scatterings, ensuring a respectful and professional experience for clients.
- Prepared and served drinks and meals for guests underway, ensuring their comfort and satisfaction throughout the charter experience.
- Maintained cleanliness of the yacht, exterior and interior. Includes polishing, washing, and interior housekeeping.
- Handled lines, docking, and engine room maintenance.
- Captured and edited drone footage for website and social media content promoting yacht services.

BOAT RENTALS

Dock Attendant / Watercraft Instructor Apr 2020 - Aug 2021

- Managed a busy dock with high guest turnover and boat traffic.
- Instructed all guests in the safe operation of watercraft (tenders and jet skis).
- Operated and drove tenders up to 30ft safely and precisely in tight spaces.
- Cleaned, fueled, and maintained all watercraft upon their return.
- Performed urgent ocean rescues and assisted distressed customers with problems.

Production Team

Freelance 2022-2024

- Assisted with the production of high-profile commercial, narrative film, and social media promotion projects.
- Enhanced communication and project coordination between directors, crew members, and clients, ensuring projects were completed on time and to the highest standard.
