

SEABREACHER

The Seabreacher is a cutting edge break through in recreational boating. Sit back and enjoy the ride as our expert pilots take you on an adrenaline pumping ride of your life. You will race across the water reaching speeds up to 65 mph. Get ready for high speed high g force maneuvers as you bank from left to right. Watch the water rip past the canopy at 30mph as you dive 6ft below the surface as you get ready to launch straight out of the water to 20ft vertical jumps. Finally watch the world spin around you in full inversion with high speed
