### SKILLS

Advanced expertise in steering and operating boats and adeptly utilizing radios, depth finders, and buoys to navigate waterways. I skillfully transport vessels to the marine shipyard for dry docking and meticulously oversee repairs, ensuring top-notch quality and performance.

Preparing the vessel for the voyage by ensuring all equipment and supplies are in working order, carrying out necessary maintenance and repairs, plotting the voyage's waypoint, and booking the docking marina.

Experience cruising on South Florida and international waters: the Bahamas, Los Roques, Venezuela, St. Barts, Puerto Rico, the Dominican Republic, and the rest of the Caribbean Islands.
