ADRIAN

CAPTAIN

100 GRT MASTER

PROFESSIONAL SUMMARY

With over seven years of experience in the maritime and yacht industry, including two years as a Captain with over 300 logged charters and trips, I am a dedicated and results-driven professional seeking to continue my growth within the industry. Fluent in both Spanish and English, I leverage my strong leadership skills and passion to create memorable and seamless experiences for clients from diverse backgrounds. Focused on long-term career development, I aim to further expand my network and contribute to the success of the maritime business.
