

AILISH

Deckhand/Stewardess/Divemaster

I am seeking a position on board a private/charter yacht that will allow me to advance in my career as a deckhand, deck/stew, or divemaster. I am very active, love to be outdoors, and embrace the physical aspect of the exterior duties. I am a positive, action-orientated individual that loves to learn and is eager to undertake and accomplish any task appointed while having fun!

ABOUT ME

I have been a competitive swimmer my entire life, have a great passion for diving, and feel most productive and energized when I am around water. Given the opportunity and the right program, I would be the best asset to any team as I could not think of a more perfect occupation and environment for me to thrive!
