MARITIME EXPERIENCE

[REDACTED] | 33 ft | Captain | 2006 | 19 April 2024 – 19 Oct 2024 |

This was my second work contract in Alaska, I worked in the same position of captain on a passenger 33ft Cat [REDACTED] in Sitka (Alaska). Had the great opportunity to improve my skills of handling, maneuvering and docking 33 ft catamaran with flying bridge and two outboards «Yamaha» 300h/p each. Practiced handling, maneuvering and docking of a 64 ft monohull jet boat with bucket control system.

[REDACTED] | 33 ft | Captain | 2006 | 18 April 2023 – 07 Oct 2023 |

This was my first work contract in Alaska. I worked as a captain on a passenger 33ft Cat [REDACTED] in Sitka (Alaska). Had the opportunity to improve my skills of handling, maneuvering and docking 33 ft catamaran with flying bridge and two outboards «Yamaha» 300h/p each. Gained invaluable navigation experience in the most difficult weather conditions in Alaska. Had experience in successfully passing of COI USCG inspections.

[REDACTED] | 183m | Navigation Officer | 2020 | 26 Oct 2021 – 20 Feb 2022 |

I assist the captain as directed, oversee merchant vessels navigation. Maintenance of all life saving and firefighting equipment. Manage communications with port authorities and cargo handling. Supervise loading/discharging operations. I took part in the preparation of the ship and successfully passing Port State Control inspection.

[REDACTED] | 183m | Navigation Officer | 2020 | 28 Nov 2020 – 09 June 2021 |

My duties included navigational equipment control. Mooring operations management. Navigation and maintenance of ships. Maintenance of all life saving and firefighting equipment. Also during this voyage, I was responsible for purchase orders and inventory management.

[REDACTED] | 183m | Navigation Officer | 2019 | 12 Oct 2019 – 07 June 2020 |

During this voyage I was responsible for all life saving & firefighting equipment on board, mooring operations management and for carrying out drills on board (Fire drills, Abandon drills, Man over board drills etc.). I took part in the preparation of the ship and successfully passing USCG inspection.

230m | Navigation Officer | 2006 | 16 Feb 2019 – 23 June 2019 |

I assist the Chief Officer as directed, oversee merchant vessels navigation. Carried out maintenance of all life saving and firefighting equipment. Manage communications with port authorities. Conducted commands under the leadership of the senior officers in organizing and conducting main drills and trainings on board.

106m	Navigation Officer	2002	03 Aug 2018 – 17 Oct 2018
------	--------------------	------	---------------------------

During this voyage I was responsible for all life saving & firefighting equipment on board, mooring operations management and for carrying out drills on board (Fire drills, Abandon drills, Man over board drills etc.) On this voyage we sailed in Northern Europe and sometimes faced with severe storms that caused a real danger to the ship and navigation generally.

120m	Deckhand	1989	01 Feb 2014 – 22 May 2014
------	----------	------	---------------------------

My duties included steering the wheel, navigational equipment control and maintenance ships life saving and firefighting equipment. This boat was designed for fishing. The main region where we fished on this vessel was the North Atlantic and Norway coastline.

115m	Deckhand	1926	01 June 2012 – 22 Aug 2012
------	----------	------	----------------------------

During this voyage, I had the opportunity to learn the skill of handling sailing a boat. Assists the Chief Mate as directed, oversee sailing boat navigation. I participated in the world famous North Sea regatta of sailing ships in 2012 (Netherlands, Germany, Denmark, France) on board M/Y [REDACTED]. Gained great and invaluable sailing experience during this voyage.

HOBBIES AND INTERESTS

I am a very active man (52 visited countries are on my list) who enjoys staying in shape through regular mountain hikes, big wave surfing and playing tennis with my friends. Skilled in professional photography and aerial filming by my DJI Mini 2 drone, with experience in editing and content creation. I maintain in myself and respect in other people the following qualities: discipline, honesty, persistence, attention to detail, teamwork and the ability to set goals.
