

Justin M.

100T GRT Master Inland, Assistance Towing

Preferred Name: Maison

12-19-1998 (25)
3313 NE 40th ST
Fort Lauderdale FL

Introductions:

Born and Raised one of the largest lakes in Oklahoma I moved to Fort Lauderdale to pursue a career in the ocean waters. I began working daywork in the LMC yard and then worked land based in a shop in harbortown marina. I acquired my STCW in 2021 and set out to see as a deckhand working my way up to a captain on the east coast from the USVI to the New England area. I am currently located in Fort Lauderdale managing a few vessels as well as a luxury golf cart business.

Present Work

We were fortunate to cross paths with Maison during an annual haul-out of our 72 foot trawler, [REDACTED]
We had numerous projects going at the time and we were quite pleased with his willingness to tackle any task with a genuinely positive attitude. Maison had solid mechanical skills and what he didn't know, was anxious to learn and picked up very quickly.

He's the type of worker who, when given a task, completes the task efficiently and if not immediately assigned another, self-motivates and stays productive throughout the day. We would not hesitate to hire him again for any variety of maintenance or improvement work on the boat or as a crew member.
