

KIERAN

PROFILE

Hello, my name is Kieran, and I am looking to transition my skill sets as a first mate/deckhand onto your vessel. I believe I can be an asset to your crew on board. I grew up on the ocean and have worked with a wide variety of vessels, from a 17-foot whaler to 190-foot mega yachts. I am a well-rounded, hard working team player with experience to meet all aspects of exterior operations. I am experienced in adapting to all guests on private and charter vessels. I am a US Passport and driver's license holder, fully vaccinated, and currently on a vessel in Fort Lauderdale. I am looking for a position within the next 2 weeks and am determined to hit the ground running to help your team.
