LUCIE [REDACTED]

Captain/Yacht broker/ Yacht management

I am a dedicated professional in the marine industry, currently leading [REDACTED], a yacht management and brokerage company I established in 2020.

Holding a captain's license, I pursue my passion for operating boats and enjoying the open waters. My love for sea life drives me to engage in all aspects of the marine world: navigation, exploration, and preservation.

[REDACTED]

My company specializes in providing comprehensive boat and yacht management services. I excel in booking and overseeing charters, ensuring smooth operations and exceptional experiences for clients and owners. I handle crew bookings, organize catering, manage charter supplies, inventory, monthly statements, revenues, and more. Additionally, I am proficient in performing regular maintenance, system checks and procedures to ensure optimal vessel performance.
