PROFESSIONAL PROFILE

Experienced Captain with diverse skillset obtained through work onboard various sized vessels and programs, including extensive delivery background.

Leadership Style: Open, Leading from the Front. Invests time and energy into developing crew skill sets.

Handles planning destinations, routes, and activities to provide superior and memorable guest experiences.

Excellent communicator that maintains strong relationships with charter brokers and clients. Consistently achieves very high charter client rebooking average
Proven ability to set up, and/or improve program SOP's, protocols, service standards, manuals, inventory/tracking, reporting processes, and training.

Strong yard period/refit background, including sourcing and managing outside contractors to complete projects on time and within budget.

Assisted and completed purchase of yacht sight unseen for new Owner.

Proficient use of Seahub to manage vessel operations and furnish reports.

MATTHEW

Seeking a long-term Captain's position aboard a 100'-130' motor yacht, private or charter. Looking forward to utilizing my experience managing crew, safety operations, compliance, yacht maintenance, and program operations to provide a five star yacht program and experience for Owners and guests.
