WORK EXPERIENCE

Mate/Engineer

10/2024 - Present, *Achievements/Tasks*

In-between trips, the captain would fly home while I stayed on board until the next trip (avg. 3 weeks between trips).

Bahamas most of the time where I was in charge of maintaining and repairing golf carts, tenders, jet skii's, etc.

Took guests fishing for mahi, wahoo, and snapper. I am proficient in High speed and low speed trolling, bottom fishing, and deep dropping.

Spear fishing for both lobster and fish were routine while on board.

06/2023 - Present,
