

Sarah [REDACTED]

Deck/Stew

Looking to utilize skills from the dive industry with experience in concierge dive charters, yoga instruction, environmental education, and event planning. Demonstrated excellence in enhancing safety protocols and fostering environmental awareness with the guest in mind, with a knack for problem-solving and customer service. I am looking forward to joining a program that allows me to grow in my skills, both interior and exterior, while using my pre-existing skills to enhance guest experience.
