- Set up and broke down guest areas with pillows, cushions, Biminis, and umbrellas daily when guest were onboard
- ❖ Beach set ups and tear downs, assisted with kiteboarding
- Kept Bosun locker cleaned and organized

My intention is to acquire a captains position on board a private or charter motor yacht. I would like to add miles and experience which can further my position on yachts. I am a determined, reliable, responsible and a hardworking individual. I have a passion for the yachting industry which I have been doing for the past 10+ years. I aspire to continue gaining knowledge and experience as well as continuing as a great captain.
