WORK EXPERIENCE

[Redacted] (67' Lazzara)

January 2024 - Present

- Full responsibility of the newly built LSX 67. Ensure new boat quality is maintained including interior and exterior as well as all systems on board. Monthly checks of LSA and FFE equipment. Scheduling of contractors for warranty items. Scheduling of showings as well as sea trials. Delivery of vessel to and from Ocean Reef and Miami International boat show. Full handover to buyer and crew once sold.

Captain - 52' Okean | 43' Azimut - NY, Private/Charter

2023 52' Okean | 43' Azimut June 2023- October 2023 (5-month contract)

- Executed full-scale maintenance for both yachts. Acquired proficiency in new boat systems, such as Sea Keeper, Zip wakes, and Sea Zone Digital Switching. Successfully booked charters with repeat clients, ensuring outstanding service and satisfaction. Collaborated with clients to curate personalized itineraries for their trips, enhancing overall charter experience. Prioritized the safety of all passengers and crew, implementing rigorous safety measures and emergency protocols. Provided thorough training to yacht owners, enabling them to confidently operate the vessels. Interviewed and hired relief captains for operational efficiency during dual yacht outings. Coordinated with marina personnel to schedule haul outs and maintenance, optimizing vessel performance.

First Officer - M/Y [Redacted] 150' - Private

March 2022- November 2022

- Developed and implemented watch schedules, overseeing crew responsibilities and optimizing efficiency. Executed solo navigation watches, demonstrating a high level of navigational skill and responsibility. Oversaw tender towing operations. Crew training, management and recruiting. Worked closely with the engineer to conduct routine maintenance on all onboard systems. Ensured positive communication between all crew for optimal vessel performance. Managed and supervised yard projects, both in-water and dry-dock, ensuring timely and quality completion. Collaborated with the owner during sea trials for the purchase of a new tender, showcasing expertise in vessel performance evaluation.

WORK EXPERIENCE

Freelance Captain – Florida, Private/Charter

February 2020 – Present

Captain of the following vessels: 86' Bugari, 80' Palmer Johnson, 78' Ferretti, 74' Mazarin, 68' Azimut, 65' Fairline, 50' Pershing.

- Full operational responsibility for the effective day to day operations of the yacht/s. Organize and manage the operation of the vessel: ensuring the vessel is provisioned and maintained to meet the specific requirements of every trip, and to comply with all relevant statutory, and health and safety requirements. Responsible for navigation and passage planning. Maintain and manage the vessel to a clean standard. Full accountability for all aspects of customer experience and service measured through client and broker feedback as well as repeat bookings. Increasing revenue through expanding client relationships and return business. Outstanding levels of customer feedback.

Captain - [REDACTED] - Fort Lauderdale, FL

March 2020 – September 2021

- Tow broken down vessels back to home docks or boat ramps. Perform salvage operations on sinking or already sunk vessels using lift bags and gas pumps to refloat vessels. Perform passenger and cargo transfers to ships offshore Port Everglades that do not come into port. Unground stuck vessels inland as well as beached vessels offshore. Captain many different vessels from Diesel tugs to high speed RHIBS, 55' Tugboat [REDACTED]

First Mate - [REDACTED] - Fort Lauderdale, FL

May 2018 – August 2020

First Mate on two privately owned 90' yachts.

- Clean both yachts as well as tenders on a schedule. Drive tenders as needed. Operate vessel while the captain does engine room checks. Prepare yacht for day trips/sea trials. Maintain passenger safety throughout the trip. Start generators and engines on a schedule. Work with the captain and individually on other needed maintenance throughout the yacht. Carried out monthly LSA and FFE equipment checks. Planned Preventative Maintenance and updating of related worklists.

First Mate - [REDACTED] 80ft - Fort Lauderdale, FL

June 2016 – December 2018

- Count and Board Passengers. Call distances for the captain. Conduct safety drills with crew. Maintain passenger safety at all times. Relieve captain from driving as needed.
