Yachting Experience

Mate – M/Y [REDACTED]

92' Hargrave | Private/Charter | Fort Lauderdale & Bahamas

2024 – Present

- Played a key role in vessel operations by assisting with docking, anchoring, line handling, fender placement, and tender launching/retrieval under the direction of the captain
- Led daily exterior maintenance routines, including washdowns, chamois work, stainless polishing, and deck prep to uphold the vessel's pristine appearance at

all times

- Oversaw detailing projects and managed seasonal upkeep tasks such as waxing, teak brightening, and UV protection treatments to preserve vessel value and charter readiness
- Delivered 5-star guest service throughout charters, handling water toy deployment (SeaBobs, jet skis, paddleboards), deck service, and client requests with discretion and professionalism.
- Supported provisioning efforts by coordinating with the interior crew and vendors, assisting with fuel bunkering, and ensuring smooth communication between departments for seamless trip execution

First Mate – M/Y

*60' Prestige | Private/Charter | Delray Beach
2024 – Present*

- Conducted comprehensive routine maintenance, including teak cleaning, brightwork polishing, stainless steel restoration, hull rinses, and full exterior detailing to maintain a superyacht-standard appearance and prevent long-term wear
- Executed preventative maintenance protocols and assisted with inventory checks on deck supplies, cleaning agents, and maintenance materials to ensure readiness for all charters and owner use
- Held regular navigational watches both at sea and anchor, assisted with route planning and electronic charting, and maintained communication with the bridge crew to ensure safe, compliant vessel operations during passages
- Assisted in emergency drills, night watches, and safety checks per ISM protocols, contributing to overall vessel preparedness and security
- Delivered refined, intuitive guest service during owner and charter trips—handling water sports logistics (SeaBobs, jet skis, paddleboards, snorkeling/diving gear), preparing the deck for guest use, offering towels and refreshments, and ensuring every detail contributed to a seamless luxury experience
- Maintained a professional, discreet demeanor at all times, anticipating guest needs while collaborating closely with the interior crew to deliver a unified, high-end service standard

Mate – M/Y [REDACTED]

72' Trawler | Private Vessel | Fort Lauderdale, FL

2025 – Present

- Supported the vessel during an extended dry dock period in Fort Lauderdale, contributing to cosmetic and mechanical refit tasks. Responsible for moving and securing tenders, organizing storage, and assisting with haul-out logistics. Performed detailed engine room cleaning and basic mechanical prep, including fluid checks, bilge cleaning, and rust mitigation. Handled topside washing, paint prep, and brightwork care. Worked closely with contractors and the captain to maintain project timelines, site safety, and vessel integrity throughout the yard period.
