CAPTAIN

Nationality US
Current Location Fort Lauderdale, FL

PROFILE

I am an experienced captain seeking a long term position, continuing a strong career in the yachting industry. With over 100,000nm in both delivery and permanent positions, I proudly maintain excellent industry relationships with clients and crew. My navigational experience involves multiple Trans Atlantic crossings on vessels ranging in size up to 167', and I can confidently oversee yacht modifications, engineering maintenance and repairs.
