## WORK EXPERIENCE

### M/Y Pa-Li-Ne - 34.14m (112 ft) - Ocean Alexander (234 GT) - [REDACTED] - Private

Mate/Engineer

10/2024 - Present

#### Achievements/Tasks

- In-between trips, the captain would fly home while I stayed on board until the next trip (avg. 3 weeks between trips).
- Docked at Baker's Bay, Bahamas most of the time where I was in charge of maintaining and repairing golf carts, tenders, jet skii's, etc.
- Took guests fishing for mahi, wahoo, and snapper. I am proficient in High speed and low speed trolling, bottom fishing, and deep dropping.
- Spear fishing for both lobster and fish were routine while on board.

### C.E.O and Owner

06/2023 - Present

#### Achievements/Tasks

- Developed a mobile application to assist boaters pulling into marinas.
- Management of developers, videographers, editors
- Drone Pilot and video editor
