Private and Charter: Baltic Sea, Mediterranean, Caribbean, & New England

- Joining the vessel in Corfu, Greece I have spent my first three years in the yachting industry. I was able to learn all aspect on the yachting industry onboard a very busy 60m program. Our team onboard, all with yachting experience over a decade, was able to train my skills set where I developed a lot of my seamanship skills and ultimate decision to purse this as a career
- General vessel repairs and deck maintenance
