# John

## EXPERIENCE DETAILS

- **January 2020 - Present**  
**Captain of M/Y** [REDACTED] **M/V** [REDACTED]  
Oversaw all operations and around the clock operation of the transport as captain. Boat is currently in refit and being sold to new owners.
- **March 2018 – January 2020**  
**Captain** [REDACTED]  
Liveaboard charters from 3 days to 2 weeks at a time with 20 guests and 6 crew. Spearfishing up to 7 dives per day maintaining safe profiles for all divers as well as all maintenance on air compressors, Nitrox strippers, and all machinery onboard the vessel. Oversaw all crew and their daily and nightly operations. Employment ended when I took the vessel from Fort Myers beach Florida across the gulf of Mexico up the Mississippi River and across the Great Lakes to the shipyard in Lake Superior.
- **Jun 2017 - Mar 2018**  
**Captain of M/Y** [REDACTED]  
Maintained all onboard systems including but not limited to AC/DC systems, generators, main engines, interior and exterior.  
**Co-Captain/Engineer/Fishing** [REDACTED]  
.Assisted with all onboard and shore activities.
- **Jan 2016 - Nov 2016**  
**Engineer/First Mate for S/Y** [REDACTED]  
Navigating/anchoring/mooring operations. Operated all guest activities including but not limited to watersports, snorkeling, scuba diving, SNUBA, and guided hikes on the islands. Assisted Chef and stew when needed to get tasks completed in a timely fashion. Completed all required preventative maintenance onboard as well as for the tender (Yamaha 225 hp). Replaced Perkins M225 TI Main engine, serviced and repaired lugger 15 kw and 25 kw gensets.
- **Feb 2013 - Aug 2015**  
**Engineer/Diver for M/V** [REDACTED]  
Maintenance of: 1200bhp MTU Engines, Air compressor Systems on board, Detroit 2 stroke. Diesel Engines. Oversaw deck operations for crew as well as 20 scuba divers for up to 14 days at a time. Watchstanding/engineering rounds as the vessel operated 24/7.
- **Aug 2012 - Jan 2013**  
**Engineer/First Mate for M/** [REDACTED]  
Maintenance of: Caterpillar 3612 engines. Watchstanding, deck maintenance, docking procedures. Helped stewardess and Chef when needed as well as anticipating the owners every need. Replaced all teak decks as well as revarnished all rails and deck furniture.
- **Jan 2011 - Aug 2011**  
**Engineer/Deckhand for M/Y** [REDACTED]  
Maintained main engines as well as gensets. Rebuilt potable water manifold distribution center in the lazarette. Tender operations as well as deep sea fishing and watersports. Watch standing as well as all deck duties with guests onboard along with keeping the yacht charter ready at all times.
