Hospitality and Guest Services

Personable

Seeking a permanent position as a Mate aboard a motor yacht, where I can manage safety, navigation, technical, maintenance, and administrative aspects of the vessel and its program. I would like to use my work ethic and ten years experience in the marine industry to accomplish the programs' goals. I am driven by the success of the program, the team I work with, and the opportunity to grow.

MATE

**M/Y [REDACTED] - 118' Broward | Private/Charter | Florida/Bahamas
NOVEMBER 2023 - Current**

- Safely navigate the vessel to/ from and within Florida/Bahamian waters
