PROFESSIONAL PROFILE

Hardworking, motivated, and detail oriented leader looking forward to continued growth in the yachting industry.

My career foundations in the industry began as a Dock/Fuel Attendant, where I communicated with vessels ranging from 20'-150' on a daily basis.

Since then, I have enjoyed roles onboard diverse vessels, where I have honed skills in guest services, exterior maintenance/upkeep, and overall vessel operations through hands-on experience.

I have a strong hospitality background interacting professionally with guests in various settings, including onboard event service, excursion/watersports supervision, and providing transportation.

I have proven ability to handle provisioning, inventories, and maintenance/fuel logs utilizing Excel.

Confident my positive outlook, passion for excellent service, and reliability will make me an asset to your program.

JUAN

Seeking a long-term Captain's position aboard a motor yacht, private or charter, where I can utilize my skills and experience to add value to a dynamic program. Looking forward to providing outstanding, five-star service to Owners and their guests.

USCG 200 TON MASTERS | STCW
6,000+ NAUTICAL MILES

+1
