Location: Madeira Beach, FL

PROFESSIONAL PROFILE

Experienced Captain that has owned and operated vessels and businesses for 30+ years, with focus on private deliveries, private yachts and charters.

Primary cruising areas: US Entire East and West Coast, Florida Gulf Coast, Florida Keys, Bahamas, Caribbean, Costa Rica, Panama Canal.

Leadership Style: Lead by example, honesty, hard work, positive attitude, safety-oriented.

Proficient in Volvo Penta IPS Systems and knowledge of most electronic systems.

Experience in Power Catamaran and basic working knowledge of jet drive systems.

Served as Captain and Project Manager for first Solar Powered Electric Silent Yacht in the USA.

Able to remain calm under pressure and maintain sound decision making at all times.

Known in the industry for keeping vessels in true pristine condition.

Available for deliveries. Able to fill Captain/Stew team roles alongside my wife, who also has 30+ years in the yachting industry.

CAPT STEVE

Seeking a long-term Captain's position aboard a Private 70'-112' motor yacht where I can utilize my experience as a solo captain or managing crew. Along with strict safety and security operations, protocols, compliance, yacht maintenance, and program operations I will always strive to provide a five star yacht program and a truly amazing experience for all owners and guests!
