WORK HISTORY

September 1990 to Current

Yacht / Boat Captain [REDACTED] Stuart, Florida

I have owned several marine related business and have been involved in a wide variety of maritime operations for the past three decades. After many years of navigating, fishing, and diving the waters of the Bahamas and south Florida I have developed a strong skillset for operational professionalism. Having worked for a number of very high profile clients in Exuma and the northern Bahamas the safety, security, and privacy of my client is absolutely paramount to my role on board.
