American yacht crew member with a USCG 100GT credential, currently serving as the captain of a 64ft Viking. Currently cruising a long side, acting as tender to 120 ocean Alexander both privately owned by the same individual. As we conclude our Bahamas season at the end of April, my temporary contract will end, and I am seeking my next opportunity as a captain on a vessel based in South Florida. With 3 years of navigation experience in the Bahamas and a lifetime of boating experience in South Florida as a third-generation boater, I bring a wealth of knowledge and expertise. My background includes exceptional yacht management skills, team leadership, and a dedication to providing outstanding guest experiences.
