## About Me

I currently have my 200 ton captain license. I have engineering experience, as well as experience up to 120ft. I know some parts of the Bahamas as well as experience running up and down the eastern seaboard delivering yachts from Connecticut to Miami. I'm very knowledgeable, honest, charismatic, and hard working. I believe I'm only as good as my crew. I bring a lot of passion and motivation. Thank you for your time.
