## PROFESSIONAL PROFILE

I started as a mate on a 70-foot boat, spent some time as an AB on an off shore supply boat and also worked as a captain of the tender/fishing boat. I have spent several years owning and operating a yacht detailing business as well as providing Captain services for clients. It is my goal to return to the yachting industry full time as a captain or a mate.

## MARITIME EXPERIENCE

### Delivery of boat from north to south Florida at owner's request

Coordinated with [REDACTED] and various contractors for engine room fire refit at [REDACTED]. Delivered boat to Florida upon completion.

Maintain the appearance and safety of this vessel, family day cruises, reposition and prepare vessel for storms and yard time.

Fishing and day cruises for owner and family as well as private fishing and day cruise charters

Tournament fished in Florida and North Carolina.

Captain of express sport fish tournament fished in north Florida as well as family fishing trips in north and south Florida.

## HOBBIES & INTERESTS

I enjoy traveling, riding my motorcycle and fishing. I am an avid golfer and enjoy restoring classic cars.
