PADI OPEN WATER

SKILLS

- Mechanical repairs & preventative maintenance
- Wash downs & detailing
- Fiberglass work & epoxy
- Welding, metal fabrication, cutting, coping, soldering
- Lines, pumps, engine work
- Fuel prep and maintenance
- Equipment assembly
- Vinyl installation & wood fabrication
- Extensive Automotive race program experience

With over 15 years maintaining equipment in motorsports programs and 10+ years of customer service experience, I'm currently looking for a Deckhand or Engineer position on a 30m+ motor yacht where I can bring my mechanical background, team leadership and hands-on skills to the yachting industry.

From working as a Foreman and Crew Chief in high-speed race environments, I've done everything from welding, grinding and drawing up project plans to managing shipping, sales, and crew logistics. I've overseen equipment maintenance at 145mph, handled deliveries, managed freelance teams, and adapted under pressure—skills that transfer directly to life on deck. I'm detail-driven, self motivated, and ready to bring that energy to the water

MARITIME EXPERIENCE

61 M- M/Y

CROSSING 2nd Engineer (3 weeks)

- Engine room watch w/ rounds
- Engine room maintenance & detailing
- Cleaning sea chest
- Water filtration system filters
- Wash downs

43 M- M/Y

DAYWORK- DECK/ENGINEER (2 weeks)

- Wash Down
- Assisted engineer with engine room maintenance

43 M- M/Y

DAYWORK- DECK/ENGINEER (2 days)

- Polishing stainless
- Detailing engine room
