

# CAPT EDDY G [REDACTED]

Miami, FL | USCG Master 100GT

## PROFESSIONAL SUMMARY

Highly experienced and safety-oriented professional captain with over 10 years in the maritime/fishing industry. Extensive experience commanding private yachts, high-end fishing vessels, and luxury charters in international/coastal waters and several deliveries to every island in the Bahamas and several trips to the northeast and back as far as Nantucket. Proven ability to lead crews, ensure vessel integrity, manage logistics, and deliver five-star experiences. Committed to operational excellence, compliance, and the highest standards of seamanship.
