EXPERIENCE

Riva [REDACTED] 86ft + 42ft Cigarette CC
First Mate/Deckhand
Miami, FL November 2023 to Current

As a Yacht First Mate, I have been instrumental in ensuring the efficient and smooth operation of the vessel, focusing on both technical and service aspects. My role involves meticulous provisioning and inventory management to cater to the needs of both crew and guests, ensuring that all requirements are met promptly and effectively. I assist with line handling, docking procedures, and anchoring, which are crucial for safe and precise vessel maneuvering.

Additionally, I am responsible for operating and maneuvering the tender and launching jet skis, enhancing the recreational experiences of our guests. My duties also include undertaking helm watch responsibilities and receiving ongoing training to support navigational tasks and maintain safety while underway. I play a vital role in executing mate duties, ranging from serving and cleaning to providing entertainment, ensuring a high standard of guest service and a welcoming environment on board.

I conduct engine and generator fire-ups and manage connections for shore power and water, which are essential for the vessel's operational readiness. My work also involves comprehensive exterior and interior detailing, including waxing, polishing, and rust removal, to keep the yacht in excellent condition. Regular wash downs and various maintenance tasks are performed to address any issues and uphold the vessel's performance and safety. Furthermore, I liaise with vendors and suppliers to procure necessary supplies and services, ensuring timely and efficient support for all operational needs.

Overall, my experience as a Yacht First Mate has equipped me with a broad skill set, combining technical proficiency with exceptional service capabilities, and has prepared me to contribute effectively to any yacht operation.

Dock Master/Lift Operator [REDACTED] - Pompano Beach, FL January 2023 to July 2023

As a Dockmaster, I am responsible for managing the movement of boats up to 55 feet in length, including hauling them out of their slips and docking them at the fuel dock for customer pickup. My role involves operating a 50-ton travel lift and forklifts to efficiently pull boats out of the water, position them, and move them around the yard. I direct, assist, and securely moor vessels to the dock while ensuring smooth traffic flow along the waterway. Additionally, I provide assistance to boaters and maintain a clean, orderly environment in the dock area to support the overall operation of the marina.
